The International Sculpture Symposium “*Drumuri Brâncușiene*” 6th edition

August 01-31, 2018

2018 - The European Year of Cultural Heritage

Between April 27 and May 18, 2018, *The “Traian Demetrescu” House for Culture* organized a projects’ selection competition, dedicated to the 6th Edition of the International Sculpture Symposium *Drumuri Brâncușiene*. The competition’s purpose was to select two ambient sculptures made of metal and three ambient sculptures made of stone (Ruşchița marble), to be made during the month long Symposium (August 01-31, 2018).

Since the Jury has chosen only three sculptural projects to participate in the *Symposium*, we hereby announce a new projects’ selection session, between June 23 and July 02, 2018.

The Terms and conditions for the participants remain the same, as announced on April 26, 2018. The artists who are interested in submitting their sculptural projects to be evaluated in this new projects’ selection competition, must send at the e-mail address casa_de_cultura_traian_demetrescu@yahoo.com the Sign up forms, The Terms and Conditions, signed and dated, and the rest of the documents, as stated by The Terms and Conditions of the 6th Edition of The International Sculpture Symposium *Drumuri Brâncușiene*. The theme of the projects is *The Historical Moment of the Great Union of 1918 (see Attachment 1)*.

For this session can be submitted both metal and marble projects.

Two sculptural projects will be selected and the results of the selection will be announced July 6th, 2018.
